Have you experienced any technical issues whilst completing this application form?

Confirmation and authorisation

Data Protection Statement

We shall process all personal data provided to us for the purposes of assessing your application, managing or monitoring any grant awarded and any related administration or research purposes in accordance with our privacy policy.

Third Party Data

No personal data concerning third party individuals should be included within your application form without their explicit knowledge and written consent that their information will be shared with The MIC Foundation and potentially other grant makers. Below you will be asked to confirm this before the application can be made.

Any additional excessive personal information will not be considered and immediately deleted. Can we please therefore ask that you do NOT include details of named or identifiable individuals, for example, their job title, connection to your organisation, physical attributes, or other descriptions, either in details of beneficiaries aided, case studies provided, or in any other information. Should you have reasons why such information should be provided to us, please contact us before sending us the information.

Collaborating with other Grant Makers

We reserve the right to disclose non-personal information, regarding your application, activities and organisation, to other grant makers unless you expressly request otherwise. No personal data will be shared with other grant makers for this purpose.

Detection of fraud

We reserve the right to share personal information to detect and prevent fraud and do not require your consent.
